(Honolulu, Hawaii) October 7, 2014 – Hawaiian Eye Center will celebrate the grand opening of its new office in the Waipahu Medical Center at 94-307 Farrington Hwy. B7-A (previously the Zobian Eye Clinic). The public is invited to stop by this Thursday, October 9, from 5 to 8 p.m. for refreshments, games and prizes. Radio DJ Bettylicious, from Hawaii's number one Filipino radio station KPHI (96.7 FM), will remote broadcast live from the event.

"We are very excited to open our new location because it allows us to accommodate and better serve patients in central and leeward Oahu," said Christopher Tortora, M.D., medical director of Hawaiian Eye Center and Dry Eye Clinic. "The Waipahu clinic will join our other locations for patient care in Wahiawa and in Hilo on the Big Island. We invite local residents to stop by and meet our dedicated doctors and staff and enjoy some great food and prizes."
